

Get more out of your routine spending

You're already buying groceries, gas, and meals. What if paying with gift cards made it easier to afford what matters most?

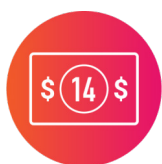

How gift card fundraising works

1

BUY A GIFT CARD

Say you buy a \$100 Gap eGift card with 14% earnings. You get the full value of the card.

2

EARN AUTOMATICALLY

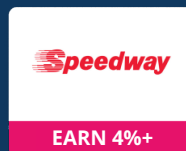

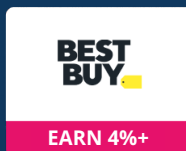

With 14% earnings, your fundraiser earns \$14. Woohoo!

3

THANKS, RAISERIGHT!

You can use the gift card to pay for a purchase now, or save it for later.

Hundreds of brands partner with RaiseRight to support groups like yours. In return, we share a portion of each purchase back to your program to lower your costs.

"It's super convenient. With eGift cards, all I need is my phone. I'm already shopping for these things anyway, and I love being able to pay with gift cards so I can get something in return."
